## Facts About The Furniture Co-Op

- The Furniture Co-Op collects furniture and house wares from the general public and then gives them to families who are transitioning from homelessness, living with disabilities or other insufferable hardships.
- Clients are referred to the Co-Op after being pre-screened by partner agencies to ensure that those truly in need are receiving the essentials.
- The Co-Op exists through the generous contributions of money, furniture, household items, clothing and time from individuals, corporations, charitable foundations and our social service agency partners.

The Furniture Co-Op is a project of New Haven Home Recovery, Inc. which is a 501(c)(3) non-profit organization.
