New Haven Home Recovery Awarded \$10,000 Grant from United Way of Greater New Haven to the Supportive Housing Program for Families

New Haven, CT, July 13, 2009 – New Haven Home Recovery awarded \$10,000 from United Way of Greater New Haven to the Supportive Housing Program for Families. This year the funding efforts are a continued effort on maintaining our services offered through the Supportive Housing Program for Families.

“Supportive Housing provides families an opportunity to not only move out of the shelter quickly but it provides intensive services that address the causes of homelessness and help them overcome housing barriers,” Kellyann Day says, New Haven Home Recovery’s executive director.

The Supportive Housing Program provides necessary case management support services to keep families stable and housed. Currently, New Haven Home Recovery provides over 100 units of housing with comprehensive services addressing a wide range of issues, to assure the most positive outcomes possible for our clients.

About New Haven Home Recovery: It is the mission of New Haven Home Recovery to promote the independence of women and children confronting homelessness, HIV/AIDS and behavioral health issues in a supportive environment where their potential can be realized. New Haven Home Recovery was founded by The Rev. Rosalie Richards in collaboration with the landlord of a rooming house where ten families lived. Have incorporated in 1990 as a non-profit agency, the local and state services provided funding. Thus began the provision of services particularly for the children at the time.
